VOL. XXIV.

WASHINGTON, D. C., WEDNESDAY MORNING, JULY 2, 1884.

NO. 187.

THE DIRE DISEASE.

MUCH ALARM FELT IN REGARD TO ITS
CONTINUED PROGRESS.

**More Stringent Quarantine Regulations
Adopted by Various Governments—The Conserva-
tives Will Support the Motion of Con-
sensus—Debate on Cuban Affairs—Other Foreign
News.**

DIAZ, THE CUBAN, CONVICTED.

Another Curious Feature in the Agence Mat-
ter Brought to Light.

Key West, Fla., July 1.—The news from Marseilles and Tonon is again of an alarming character.

Arrangements have been made to fumigate travelers at the Paris railway stations. There were three deaths from cholera at Marseilles last night and four at Tonon. The railway stations at both cities are now under the control of the police.

Paris, July 1.—Italy has sent a

transient number of the Italian home from the plague-stricken cities.

Vice Admiral Payson, minister of marine,

has issued a circular asking for subscriptions to an open fund for the relief of sufferers from cholera belonging to the navy.

BERLIN, July 1.—The cholera commission, which had been in session last week, has been studying the disease in Egypt and India, has presented its report to the government. Dr. Koch, who was the head of the cholera commission, is about to start for Paris and Tonon to continue his researches on the subject.

SYDNEY, July 1.—A preparation against the introduction of cholera by the authorities have decided to subject vessels arriving at this port to a quarantine of ten days.

TONON, July 1.—A steamer, the "Mistral" from Marseilles arrived in the harbor of Tonon, having a case of cholera on board. The vessel was ordered to leave the harbor.

TONON, July 1.—The entire crew, including the captain, were, including the sick man, abandoned the vessel and took refuge in the woods. Gendarmes are searching for them.

Saint Malo, July 1.—A steamer between to dock last night and noon to-day.

The cholera has spread to villages in this vicinity, and the local physicians are

alarmed.

MARSEILLE, July 1.—The Spanish government is dissatisfied with the precautions taken by the English, who have ordered that all vessels arriving at Spanish ports direct from England shall be detained three days for observation. These having been issued, the Spanish government has issued similar orders that that same period of time shall be subjected to seven days' quarantine, thus by way of a protracted French port to the Spanish port.

CADIZ, July 1.—Passengers leaving France later than Monday will not be allowed to land at Cadiz.

MARSEILLE, July 1.—Vessels arriving here from Marseilles and Tonon are subject to a quarantine of ten days.

MARSEILLE, July 1.—The rope has been ordered the members of the orchestra to remain at their post, and has placed a cordon around the disposal of the bishops in time of cholera.

A woman from Toulon died at Viremiglia.

Lyon, July 1.—A case of cholera has ap-
peared here.

Cuba Discovered in Spain.

MARSHALL, July 1.—In the chamber of deput-
ies yesterday Senator Valdés introduced a bill providing for an improvement of the situ-
ation of Cuba, and a bill intended to reduce the
cost of the bill proposed a reduction of the import
and export of sugar, and that Spain shall main-
tain its colonies in Cuba in interest with foreign nations. Other clauses affect econ-
omics in the Cuban budget, and provide
for the payment of debts.

In the senate Senator Del Castillo, the
prime minister, said that Spain had ab-
solutely no right to interfere in Cuban affairs.

An important interview occurred yesterday
between Mr. John W. Foster, the American
minister, and Mr. E. G. Eden, minister of foreign
affairs. The Spanish minister showed a desire
to arrive at an equitable commercial arrange-
ment, and the two ministers exchanged views re-
garding the Cuban question.
